Comptroller

SUBJECT: Reston Consolidation

Bill:

1. Attached is the Reston information that I will talk from in my discussion with congressional staffers. It is taken from data provided by [] and the Office of Logistics. 2. In reviewing the information on the cost comparison between Reston and remaining in existing buildings, I noted that modification costs for Reston are \$20 million over a three year period. I would like to have a better understanding of these costs. Please forward a more detailed explanation of these requirements for FY 1986-1989. []

3. I intend to begin the dialogue with the congressional staffs soon and will need your response by COB 12 August. []
